

Catalogue of views

The screenshot displays the 'Catalogue of views' interface. On the left is a sidebar with the user name 'Jos Stals' and navigation options: Projects, Upload new project, Manage data blocks, Catalogue of views (highlighted in green), User info, Export settings, and Stock configuration. The main area features a search bar 'Search in views', tabs for 'Structural' and 'Architecture', and a table of views. A blue arrow points to a green '+ ADD VIEW' button in the top right corner.

Catalogue of views

- The new view is in the list left side

The screenshot displays the CAD Reporting interface. On the left, a sidebar contains a list of views: 'Insulation by panels', 'Sheathing by panels', 'Profiles by panels', 'Profile-All', and 'Advanced export'. A blue dashed arrow points from the 'Profile-All' view in the list to the 'Profile-All' view in the main form. The main form is titled 'Create new project view' and includes the following fields and options:

- Name of your view:** Profile-All
- Description of your view:** Profile-All
- Groups:** Structural, Architecture (+)
- Icon:** A grid of icons is shown, with a diamond icon selected.
- Data that will be visible in your view:** A dashed box contains a data block labeled '7,000 Profile - All' and a minus sign icon. Another dashed box contains the text 'Drop your datablocks here.'
- CREATE PROJECT VIEW** button

Catalogue of views

The screenshot shows the CAD Reporting software interface. On the left is a sidebar with navigation options: 'demo22', 'Manage', 'Project views', 'Insulation by panels', 'Sheating by panels', 'Profiles by panels', 'Profile-All' (highlighted in green), and 'Advanced export'. The main area has a top bar with 'Explore', 'Export', 'Optimize', and 'Tigerstop' buttons. Below this are 'Group by:' (CODE) and 'Filter:' (NO FILTER CREATED) options. The main content is a table with columns 'Group By Value', 'Total Count', and 'Total Length (mm)'. It lists three items: 'PR-WD-CLS-C18-038x140' (143 items, 302500 mm), 'PR-WD-CLS-C18-038x089' (41 items, 98030 mm), and 'PR-ST-HEA-140' (1 item, 2702 mm). The 'PR-ST-HEA-140' item is expanded to show a detailed table with columns 'CODE', 'WIDTH', 'COUNT', 'LENGTH', 'HEIGHT', and 'END_ANGLE'. The detailed table shows one row for 'PR-ST-HEA-140' with a width of 140,00, a count of 1, a length of 2702,00, a height of 133,00, and an end angle of 0,00.

Group By Value	Total Count	Total Length (mm)
PR-WD-CLS-C18-038x140	143	302500
PR-WD-CLS-C18-038x089	41	98030
PR-ST-HEA-140	1	2702

CODE	WIDTH	COUNT	LENGTH	HEIGHT	END_ANGLE
PR-ST-HEA-140	140,00	1	2702,00	133,00	0,00

- Open the view Profile-All
- If you need more or less info (go back to datablocks and changes the columns)
- Click in the top Export (Excel or PDF)
